

NATIONAL ANTI-DOPING TEST REPORTS 2011

IPF-Anti-Doping rules 14.2 "National Federations shall report to the IPF (President) not later than 31st of March each year results of all Doping Controls within their jurisdiction during the previous calendar year sorted by Athlete and identifying each date on which the Athlete was tested, the entity conducting the test, and whether the test was In-Competition or Out-of-Competition. The IPF may periodically publish Testing data received from National Federations as well as comparable data from Testing under the IPF's jurisdiction. A failure to report such results by 31st of March, will be fined with Euro 500. The national federation is suspended until the fine is paid and the national report is provided.

The regional federations collect all reports and send them latest 15th of April to the IPF. ".
Only analyses can be considered, which were carried out in WADA accredited laboratory.

Stand: 12. June 2012
