14.2.1 National Federations shall no later than 31st March each year report to the IPF Anti-Doping Administrator Sabine Al-Zobaidi (sabine.al-zobaidi@powerlifting-ipf-com) the results of all Doping Controls carried out within their jurisdiction during the previous calendar year. The report must also state the identity of the laboratory or laboratories analysing samples for the nation for that year. Failure by a National Federation to provide this report by 31st March in the year following the year reported on shall result in a fine of EUR 500 on that National Federation; the National Federation is suspended until that fine is paid and the national report is provided.
