**Ref.: World University Powerlifting Cup – patronage**

Dear friends,

By present letter, I would like to confirm that we have well received the letter from Republican Center of Physical Education and Sports for Pupils and Students in which you inform us of your intention to host a World University Powerlifting Cup in 2016.

We are well aware of your organising capabilities as was the example of the FISU World University Canoe Sprint Championship that was hosted in 2014 in Minsk, Belarus. This event was exceptional and we equally look forward returning for the FISU World University Speed Skating Championship in 2018.

Concerning your request for patronage, FISU is pleased to convey its support to your event and we welcome any information you may wish us to publish on our website to reach more countries if possible.

We thank you for your efforts to promote the university sports movement and hope that you will welcome a high number of participants from all around the world.

Wishing you a very successful preparation and a fruitful event.

With best regards,

Oleg MATYTSIN  
FISU President
